These items are all in stock and will be supplied to the renter with two weeks advance notice. There is a \$50 fee for using non-biodegradable or non-recyclable products which will be deducted from the Security/Damage Deposit if any are found in the center from your event. **We would like to suggest you hire a local to wash your dishes and that you use the Center's NON disposable dishware and cutlery. This is the best and greenest solution for the planet and our town.**

CLEANUP

The hall is to be returned to the condition it was originally found in. All tables and chairs should be returned to the appropriate racks and into the appropriate storage area. All ladders must be returned upright to the storage room. Nothing should be left on the floors or walls at the end of an event. ***The regular floor crew will mop only.*** Do not use commercial cleaners of any kind on the wooden floor of the main hall and stage. The piano may never be left on a floor heating vent. If the piano is found on a vent at any time during or after your event the damage cleaning deposit will be withheld.

GARBAGE

The Community Center has recycle facilities for cardboard, bottles and cans. We ask that **no plastic** bottles of water or juice, etc. be served at events. Composting facilities are also available. Our garbage disposal facilities are very limited due to our Village Clean-Up and Beach Clean-Up programs. You will be required to take any trash your event generates away with you, unless you make other arrangements. There *might* be room at our Village & Beach dumpsters to remove trash for \$50 fee.

LOCKING UP

The organizer of the event is responsible for locking up and turning off the **lights and thermostat** before leaving. Failure to secure the building after any event may result in forfeiture of the security/damage deposit.

DANCES

It is mandatory that the building and the surrounding grounds be left free of trash, cans and bottles at the end of the dance.

The cleaning/damage deposit is \$150.00 and it is not intended to be forfeited to avoid cleaning up the building.

Bands must clear the building within one hour after the end of their performance. We ask that all guests and performers keep their voices low when leaving the building late at night; we have many neighbors on all sides of the building.

MUSIC MUST END BY 12:30 A.M. Building must be left as it was prior to the event.

For dances having a significant number of teenagers: No alcohol in any form is to be allowed in the building. Two or more chaperones/bouncers are to be supplied by the band/organizers; these individuals shall be responsible for keeping alcohol out of the building. A monitor for the Center’s Board will (may) check out compliance with the No-Alcohol rule. If the rule is not being followed, the monitor will ask the band to stop playing and clear the hall of alcohol and in addition the deposit will be forfeited. It is the promoters’ responsibility, not the monitor’s, to ensure compliance with the request. The band may begin playing again only when the hall is cleared of alcohol. Sound in the Center must never exceed 95 decibels for safety reasons. If decibels are more than 95 the security deposit will be forfeited and a warning will be given to the renter.

If more time than one week is needed, they must have the approval of the General Manager.
